

# Staples

## Buffalo Tom

Staple my hand  
Staple my hands to my heart  
Staple my hand  
Staple my lips shut  
Staple my hand  
Staple my lips shutStayin' right here  
I won't move 'til I'm dead  
Stayin' right here  
You can cut me in two instead  
Stayin' right here  
I won't move 'til you're deadBut you can move me over my headRaking up threats in here  
I've left the gypsies outside  
Making bets dear  
I just woke up one mornin' and died  
Stayin' right here  
Your staples have stitched deep insideAnd you can move me over my head  
But you can move me over my headBut you can move me over my head  
And you can move me over my head
