Better Than Me

The Muffs

You wanna think, you're better than me
And I don't think, you're better than meWhy don't you stay away
Why don't you stay awayYou give a damn, you're better than me
You're a man, you're better than meWhy don't you stay away
Why don't you stay awayFrom what you say and do
Don't you think there's something wrong with youYou get a job, you're better than me
And I'm a slob, you're better than meWhy don't you stay away
Why don't you stay away'Cause I don't even care
I don't think you're really even there, even thereYou comb you hair, you're better than me
You're aware, you're better than meWhy don't you stay away
Why don't you stay awayWhy don't you stay away
Why don't you stay away
Why don't you stay away
