

# Better Than Me

## The Muffs

You wanna think, you're better than me  
And I don't think, you're better than me Why don't you stay away  
Why don't you stay away You give a damn, you're better than me  
You're a man, you're better than me Why don't you stay away  
Why don't you stay away From what you say and do  
Don't you think there's something wrong with you You get a job, you're better than me  
And I'm a slob, you're better than me Why don't you stay away  
Why don't you stay away 'Cause I don't even care  
I don't think you're really even there, even there You comb you hair, you're better than me  
You're aware, you're better than me Why don't you stay away  
Why don't you stay away Why don't you stay away  
Why don't you stay away  
Why don't you stay away
