

Greetings

Bob Marley & The Wailers

Greetings in the name of Imperial Majesty

Greetings in the name of Lord

Hailie Selassie, Jah Rastafari

They say experience teach that wisdom

But with a thing named "love"

We shall overcome Greetings in the name of Imperial Majesty

Greetings, greetings in the name of love Unity in the world, that is the key

All the children on earth are one family

We want peace, justice and the right thing

We just want to fight to have the right to think

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work The children always wail, cry out for justice

And they send them to jail, saying it's for peace...

For Peace ? Babylone don't want no peace, man

For peace ! Babylone just want power

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work

Well I'm a man of God and me came to do God's work
