Can't desert the future, no Nevada

Her body is a weapon, ratatat her

I spent the night in heaven, I slept with an angel

And when we finish, I swear that pussy said, "thank you"

I said, "Your Very Welcome". I'm so well mannered

And I go down south, LouisianaHook (John Legend)Baby won't you spend the night

Freedom of speech, Weezy a beast

Open her up like a book, read it and weepHook (John Legend)Baby won't you spend the night
