Time and Tide

Paul Kelly

Time and time wait for no one
They won't wait for you or me
You gotta know when to stay and when to go
When to do, when to be!
Time and time, sometimes hurry
Sometimes move so slow
You got to be ready to jump a whole steady
I'm rocking and roll with the flow
No matter what you think or do
Sometimes really isn't after you
And if you can't shift that all
There's nothing you can't do with a pray!
Time and time keep on pushing and pulling
Pushing and pulling on you and me
Sometimes our flood runs high,
Sometimes we're both left bone dry
Dreaming of the big blue sea!
Time and time wait for no one
Time and time wait for no one
Time and time keep on pushing and pulling!
