

When a Man Loves a Woman

Jody Watley

When a man loves a woman
They say she could do no wrong
When a man loves a woman
Her nights will never be long
When a man loves a woman
He makes love with pure intensity
And if she wants
Hell do what you do
When a man loves a woman
Hes not afraid of his vulnerability
When a man loves a woman
He loves their intertwining sexuality
When a man loves a woman
He might let her see him cry
And hell never risk losing her
By telling some stupid lie
(Men)
He wont do you wrong
(Men)
Hell love you long
(Men)
(Men)
When a man loves a woman
He might fly her to a night in Rome
This could happen
Though, never leaving home
When a man loves a woman
Yeah, hell do most anything
And with his presence
A smile hell surely bring
When a man loves a woman
He wont hesitate to put her first
Hell satisfy her desires
And quench her every thirst
When a man loves a woman
Hes gonna be true
And he wont forget to tell her
Baby, I love you
(Men)
Love will bring you home
(Men)
Love wont let you roam
(Men)
(Men)
When a man loves a woman
Hell be responsible for his kids
And if he walks away
Hmm, he never did
When a man loves a woman
Hell rub her back and maybe kiss her feet

And with this
A finer man youll never meetWhen a man loves a woman
Hell take his time when he shows her love

And shell enjoy the fit
Feels like a gloveWhen a man loves a woman
She can do no wrong

He understands her attitudes
And deals with her moods(Men)

Hes so into you
(Men)

You know hes true
(Men)

(Men)When a man loves a woman
Its a beautiful thing
It could melt your soul

And make a heart singWhen a man loves a woman
He knows the reality of AIDS
He wont bring it home to you

By some other love hes madeWhen a man loves a woman
Hell respect you in front of his friends
He wont front you off

You know hell think againWhen a man loves a woman
He knows youre complex

And knows it takes more to make you happy
Than just giving you sexWhen a man loves a woman
Hell never raise his fist

Hell know it doesnt make him more a man
To do thisWhen a man loves a woman
Youll surely know
And its as special
As an April snow(Men)

He wont do you wrong
(Men)

Hell love you long
(Men)

(Men)(Men)

Love will bring you home
(Men)

Love wont let you roam
