Somewhere There's Hope

Steve Perry

Somewhere There's HopeWhen you're runnin babe
You can't let go
Life's on the lineWhen you're runnin runnin runnin
From a cold cold world
Voices they crySomewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Somewhere there's hope
Waiting there
Waiting thereOoh the wheels of fear
Turn truith into lies
Like a theif in the night
Hold on
To the smoke and to the fire
No one
Can hideCause somewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Somewhere there's hope
Waiting there
Waiting there
Somewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Waiting there
Waiting thereSomewhere there's hope
(Somewhere there's hope)
Somebody please
(Somebody please)
Somewhere there's hope
Waiting there
Waiting thereThey cry
Voices they cry
Somewhere there's hope
Somebody please
Oh
