I Couldn't Lie

The Whigs

i couldn't lie
i was ready to go
taking my time as i walked out the doorwant change?
go and change it
why would we keep it the same?it's on my mind most all of the time
there's a lot i see that i don't believe
if i knew how i'd remember now
there's so much that i think is true
once in a while
could you remember the thrill?
frozen inside, like a bird on the sillwant change?
go and change it
why would we keep it the same?it's on my mind most all of the time
there's a lot i see that i don't believe
if i knew how i'd remember now
that so much that i think is true
it's on my mind most all of the time
it's on my mind most all of the time
it's on my mind most all of the time
it's on my mind most all of the time
