

# You Lost Me

[Christina Aguilera](#)

I am done, smoking gun  
We've lost it all, the love is gone  
She has won, now it's no fun  
We've lost it all, the love is gone And we had magic, and this is tragic  
You couldn't keep your hands to yourself I feel like our world's been infected  
And somehow you left me neglected  
We've found our lives been changed  
Babe, you lost me And we tried, oh, how we cried  
We lost ourselves, the love has died  
And though we tried you can't deny  
We're left as shells, we lost the fight And we had magic, and this is tragic  
You couldn't keep your hands to yourself, oh I feel like our world's been infected  
And somehow you left me neglected  
We've found our lives been changed  
Babe, you lost me Now I know you're sorry and we were sweet  
But you chose lust when you deceived me  
And you'll regret it, but it's too late  
How can I ever trust you again? I feel like our world's been infected  
And somehow you left me neglected  
We've found our lives been changed, yeah  
Babe, you lost me
