

Don't Treat Me Like A Fool

Blue

It's been hard wakin' up, wakin' up to the truth
I've been so blind, couldn't see for love, no
Tried my best to ignore it, wish the pain away
But just like tomorrow, it's coming round again So darling, please don't treat me like a fool
It's been hard enough for me, getting over you
So darling, please don't treat me like you do
I'll be damned if I'm gonna let ya
Damned if I don't forget ya
So please don't treat me like a fool Thought I gave you the best but it wasn't enough
You took advantage of my trusting heart
Tried my best to forget her, oh, did my best to forget
I'm done with the tears and there are no regrets So darling, please don't treat me like a fool
It's been hard enough for me, getting over you
So darling, please don't treat me like you do
I'll be damned if I'm gonna let ya
Damned if I don't forget ya I know I'll be reaching out to touch you in night
Holding on to the memories 'cause you're not here to hold me tight
You lied when you told me, it hurts to be apart
When all the lying you're doing is in someone else's arms Please don't treat me like a fool
It's been hard enough for me, getting over you
So darling, please don't treat me like you do
I'll be damned if I'm gonna let ya
Damned if I don't forget ya
So please don't treat me like a fool
