

# Life to Me

[ZOEgirl](#)

Fleeting breath, frailest flesh  
Im a casualty at best  
And so I sink into your depth  
My only place of rest Where earth and wind, and sky and sea  
Could never match Your majesty  
From where I stand, Im crying out  
Jesus, You are life to me The treachery of valleys deep  
Has only made me weak  
I clothe this flesh with holiness  
My only place of rest Where earth and wind, and sky and sea  
Could never match Your majesty  
From where I stand, Im crying out  
Jesus, You are life to me And when I see Your face I'll know  
All the pain and tears will go  
To the bottom of the sea  
You'll forever be holy, holy Holy, holy, holy, holy Where earth and wind, and sky and sea  
Could never match Your majesty  
From where I stand, Im crying out  
Jesus, You are life to me Holy, holy, holy, holy  
Holy, holy, holy, holy  
Holy, holy, holy, holy  
Holy, holy, holy, holy When all is fallen  
You are life to me  
When all is broken  
You are life to me When all is empty  
You are life to me  
Life to me, life to me When I am fallen  
You are life to me  
When I am broken  
You are life to me When I am empty  
You are life to me  
Life to me, life to me, life to me, life to me Life to me
