

# Searching With My Good Eye Closed

## Soundgarden

Painted blue across my eyes  
And tie the linen on  
And I'm on my way, on my way  
Looking for the paradigm  
So I can pass it off  
Is it on my side, on my side Is it to the sky, is it to the sky  
Looking to the sky and down  
Searching for a ground  
With my good eye closed If I took you for a ride  
Would you take it wrong  
Or would you make it right, make it right  
Looking for a pedestal  
That I can put you on  
And be on my way, on my way Is it to the sky, is it to the sky  
Looking to the sky and down  
Searching for a ground  
With my good eye closed With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed  
With my good eye closed Stop you're trying to bruise my mind  
I can do it on my own  
Stop you're trying to kill my time  
It's been my death since I was born  
I don't remember half the time  
If I'm hiding or I'm lost  
But I'm on my way, on my way Is it to the sky, is it to the sky  
Is it to the sky, is it to the sky  
I'm on my way, on my way  
On my way, on my way  
I'm on my way, on my way  
Is it to the sky, is it to the sky  
I'm on my way, on my way  
Is it to the sky, is it to the sky
