

# When the Stars Go Blue

**Tim McGraw**

Dancin' when the stars go blue  
Dancin' when the evening fell  
Dancin' in your wooden shoes  
In a wedding gownDancin' out on 7th Street  
Dancin' through the underground  
Dancin' with the marionette  
Are you happy now?Where do you go when you're lonely?  
Where do you go when you're blue?  
Where do you go when you're lonely?  
I'll follow you when the stars go blue  
Stars go blue, stars go blue  
Stars go blueLaughin' with your pretty mouth  
Laughin' with your broken eyes  
Laughin' with your lover's tongue  
In a lullabyWhere do you go when you're lonely?  
Where do you go when you're blue?  
Where do you go when you're lonely?  
I'll follow you when the stars go blue  
Stars go blue, stars go blue  
Stars go blue
