

# My Wife's Home Town

[Bob Dylan](#)

Well, I didn't come here to deal with a doggone thing  
I just came here to hear the drummer's cymbal ring  
There ain't no way you can put me down  
I just wanna say that hell's my wife's home town  
Well, there's reasons for that and reasons for this  
I can't think of any just now but I know they exist  
I'm sittin' in the sun 'til my skin turns brown  
I just wanna say that hell's my wife's home town  
Home town, home town  
She can make you steal, make you rob  
Give you the hives, make you lose your job  
Make things bad, she can make things worse  
She got stuff more potent than a gypsy curse  
One of these days I'll end up on the run  
I'm pretty sure she'll make me kill someone  
I'm goin' inside, roll the shutters down  
I just wanna say that hell's my wife's home town  
Well, there's plenty to remember, plenty to forget  
I still can remember the day we met  
I lost my reasons a long ago  
My love for her is all I know  
State gone broke, the county's dry  
Don't be lookin' at me with that evil eye  
Keep on walkin', don't be hangin' around  
I'm tellin' you again that hell's my wife's home town  
Home town, home town
