

# Walkin' (For Your Love) [Live]

## Widespread Panic

Walkin' - for your love  
Walkin' - for your love  
Walkin' - for your love  
Walkin' - for your love I'm only going where my eyes are going  
I'm only going where my toes are pointed  
I just bought me this new pair of big shoes  
I'm only going if I can walk there with you Shinin' - for your love  
Shinin' - for your love  
Shinin' - for your love  
Shinin' - for your love I'm afraid to open my eyes  
I'm even afraid to look at you  
Right here - I'm gonna open my eyes  
I'm gonna move with you Disappearin' - for your love  
Disappearin' - for your love  
Disappearin' - for your love  
Disappearin' - for your love We're only going in this closet here  
I'm only going if the doorknob turns  
I'm only going if the light goes on  
I'm only going if I can boogie with you
