Palace

Hayley Kiyoko

There's a silent peace
In the tragedies
Water washes clean
Until they're dry
Turn your shattered dreams
Into rhapsodiesThis is where I keep you in my mind
I need you to be freeSo this is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Ooh, ooh, ooh
This where I leave youEvery memory adds another piece
Purple, blue, and green
Just rest your eyes
Fortunes in the trees
Pure as harmonyThis is where I keep you in my mind
I need you to be freeSo this is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouetteThis is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Ooh, ooh, ooh
This where I leave youDance in your color
Reflecting in your light
You're my horizon
You'll always paint my skyThis is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
This is where I leave you
Sitting in a palace covered in gold inside my head
This is where I see you
On a bed of roses when I wanna kiss your silhouette
Ooh, ooh, ooh
This where I leave you
