Let Me Go

Heaven 17

Once there was a day
We were together all the way
An endless path unbrokenBut now there is a time
A torture less sublime
Our souls are locked and frozenOnce we were years ahead
But now those thoughts are dead let me go
(Let me go)
All hopeless fantasies are making fools of me, let me goI walk alone and yet I never say goodbye, let me go
(Let me go)
A change of heart, a change of mind
And heaven fell that night, let me goI tried but could not bring
The best of everything
Too breathless then to wonderI died a thousand times
Found guilty of no crime
Now everything is thunderDaytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need the
Daytime, all I want is nighttime, I don't need theGot to, got to, got to, got to let me goOnce we were years ahead
But now those thoughts are dead, let me go
(Let me go)
All hopeless fantasies are making fools of me, let me goI walk alone and yet I never say goodbye, let me go
(Let me go)
A change of heart, a change of mind
And heaven fell that night, let me goThe best years of our lives
The hope of it survives
The facts of life unspokenThe only game in town
I'll turn the last card down
And now the bank is brokenFound guilty of no crime
They were the best years of our lives
I'll turn the last card down
