

Yes and Amen

Housefires

God says Yes! And I know that I'm blessed
Yes! Got a heart that's at rest
Yes! And a future that's sealed
Yes! If I'm healed then I'm healed
I'm not afraid of circumstances
'Cause I, have already found the answers
In Christ all of God's promises are Yes!
Yes and Amen!!

Now's the time to let faith win
God has placed His promises in the center of His Will
Seek His Kingdom and His Ways
All the power of heaven is yours to call today

All God's promises
Yes and Amen!
Celebrate God's promises
Yes and Amen!
