Sorry

Natalie Cole

We used to be so very happy
And we used to have so much fun
And we used to spend our time together
We were as close as anyone
I used to feel your every feeling
I was a part of your every dream
I'm not saying that, "You've thrown me aside"
But oh that's just the way that it seems
So if I've done anything that I shouldn't have done
Wanna say, "I'm sorry, darling, I'm so sorry"
And if I said anything that I shouldn't have said
I'm sorry, sorry, yeah
Now we're just getting used to a brand new situation
And I found out that temptation just won't let ya do good
So we must sit down and talk and be for real to each other
'Cause I don't want my love for you to be misunderstood
If I've done anything that I shouldn't have done

I'm sorry, oh baby, I'm so sorry
If I said anything that I shouldn't have said
I'm sorry, I'm sorry, I'm sorry, oh Lordy, I'm so sorry
Sorry, sorry, sorry, hey, sorry
If I've, if I've done anything, done anything I
That I shouldn't have done, shouldn't have done
I'm sorry, I'm sorry, baby, I'm sorry
If I said anything, if I, if I said anything I
That I shouldn't have said, shouldn't have said
Well I'm so, I'm sorry, sorry, sorry, sorry if I've done anything
I'm really, really sorry, baby, that I shouldn't have done
Ooh baby, I'm, I'm sorry, sorry, sorry, sorry, I'm
If I said anything, sorry, I'm sorry that I shouldn't have said
I'm so sorry, I'm sorry, sorry, really sorry
I'm so sorry, yeah, sorry, I'm so sorry, sorry
