

# Fire to the Floor

Sezairi

Hey Girl, I don't want you to stand here all alone  
So come along  
Hey Girl, so what if I can tell you I'm the one  
You're the only thing I need If I can make it right  
But I'm just a stranger in the night  
I wanna know  
How you feel  
I need to know  
If it's for real You're heading for the light  
You'll be my princess of the night  
I'm moving slowly closer to you I want more  
Gotta know if you can feel it  
Yeah I want more  
I say the words because I mean it  
So turn it up  
Oh Girl you got me out of control Girl you set fire to the floor, floor, floor, floor, floor  
Oh, we don't need no water  
We're heading for the floor  
And got me begging you for more, more, more, more, more  
We're dancing through the fire  
Never felt this way before  
Oh, keep the fire burning Take me, take me, Girl take me higher  
Move it, move it, start up the fire  
Baby, baby, you're my desire Girl you just gotta tell me why, why, why, why, why  
Oh Girl, I need to be your lover  
Girl you set fire to the floor Oh Girl, we're gonna rock the floor like never before  
Oh come on give me some more, yeah  
Hey Girl, I don't think I can ever make it stop  
I've never felt this way with you before If I can make it right  
But I'm just a stranger in the night  
I wanna know  
How you feel  
I need to know  
If it's for real You're heading for the light  
You'll be my princess of the night  
I'm moving slowly closer to you I want more  
Gotta know if you can feel it  
Yeah I want more  
I say the words because I mean it

So turn it up  
Oh Girl you got me out of control Girl you set fire to the floor, floor, floor, floor, floor  
Oh, we don't need no water  
We're heading for the floor  
And got me begging you for more, more, more, more, more  
We're dancing through the fire  
Never felt this way before  
Oh, keep the fire burning Take me, take me, Girl take me higher  
Move it, move it, start up the fire  
Baby, baby, you're my desire Girl you just gotta tell me why, why, why, why, why  
Oh Girl, I need to be your lover  
Girl you set fire to the floor Oh Girl when you walk across the floor  
You make me feel so good  
Oh Girl and I can't let go of this feeling  
When you set fire to the floor I want more  
Gotta know if you can feel it  
Yeah I want more  
I say the words because I mean it  
So turn it up  
Oh girl you got me out of control Girl you set fire to the floor, floor, floor, floor, floor  
Oh, we don't need no water  
We're heading for the floor  
And got me begging you for more, more, more, more, more  
We're dancing through the fire  
Never felt this way before  
Oh, keep the fire burning Take me, take me, Girl take me higher  
Move it, move it, start up the fire  
Baby, baby, you're my desire Girl you just gotta tell me why, why, why, why, why  
Oh Girl, I need to be your lover  
Girl you set fire to the floor
