

# Knockin' On Heaven's Door

## Avalon

In my closet a spot is worn from hours and hours upon my knees  
I step inside, the quiet's like a doorway to a world of peace  
One thing I don't worry 'bout  
I can't wear my welcome out I keep knock, knock, knockin' on Heaven's door  
I keep talk, talk, talkin' 'cause You answer Lord  
Won't be stop, stop, stoppin' so be listening for me  
I'm knockin', knock, knockin' on Heaven's door I'm not a poet, no it's not like me to speak in flowery words  
I'm not a prophet, not at least in these parts that would be unheard of  
But my heart speaks loud and clear  
And since my prayers are answered here I keep knock, knock, knockin' on Heaven's door  
I keep talk, talk, talkin' 'cause You answer Lord  
Won't be stop, stop, stoppin' so be listening for me  
I'm knockin', knock, knockin' on Heaven's door Whisper what you're feeling, shout it at the ceiling  
Nothing's gonna fall on deaf ears  
Ask Him for His mercy, pray away your worries  
What do you want Heaven to hear? Whisper what you're feeling, shout it at the ceiling  
Nothing's gonna fall on deaf ears  
Bless the world around you, pray His peace surrounds you  
What do you want Heaven to hear? Whisper what you're feeling, shout it at the ceiling  
Nothing's gonna fall on deaf ears  
Thank Him for his favor, sing and praise the Savior  
That's what I want Heaven to hear Oh I keep knockin', can't You hear me talkin'?  
Oh I won't be stoppin', hear me Lord I'm knockin'  
Hear me Lord I keep knock, knock, knockin' on Heaven's door  
I keep talk, talk, talkin' 'cause You answer Lord  
Won't be stop, stop, stoppin' so be listening for me  
I'm knockin', knock, knockin' on Heaven's door I keep knock, knock, knockin' on Heaven's door  
I keep talk, talk, talkin' 'cause You answer Lord  
Won't be stop, stop, stoppin' so be listening for me  
I'm knockin', knock, knockin' on Heaven's door I keep knock, knock, knockin' on Heaven's door  
I keep talk, talk, talkin' 'cause You answer Lord
