

# Just More

## DJ Styles

Look beyond my face and love me  
I'm not the good girl you should know  
There was a time when I thought of you  
There was a time when you thought of me  
Look in my eyes and say you love me  
Look in my eyes and say you want me  
I'm just more, I'm just more, I'm just more  
I'm just more, I'm just more, I'm just more  
It's too late to look beyond  
It's too late to darn my socks  
I left my shoes left you behind  
Ran barefooted through the crowd , yeah  
There's another word for love  
There's another word of course  
I'm just more than you can see obviously  
I'm just more, I'm just more, I'm just more  
I'm just more, I'm just more, I'm just more  
There's another word for love  
There's another word of course  
I'm just more than you can see obviously  
It's too late to look beyond  
It's too late to darn my socks  
I left my shoes left you behind  
Ran barefooted through the crowd , yeah  
There's another word for love  
There's another word of course  
I'm just more than you can see obviously  
I'm just more, I'm just more, I'm just more  
I'm just more, I'm just more, I'm just more  
There's another word for love
