

# Why (live)

## Halloween

Father, it's time  
Have a heart for your child who cries in pain  
Not a new sign  
But I strike that'll blow those fools away  
Open your eyes  
If you've got any you just look for too long a time  
They spit on your name  
Doin' everything you darned as highest crime They believe they could walk on the water  
Playing 'god, sleep with the devils' daughter  
Killed your son and might kill mine But you don't mind Why, Lord, why tell me why  
In these lonely days I'd need your answer  
There's a reason why How could you fail?  
Still it's time, turn the black into the light  
Why do you wait?  
Do you look down and laugh at what you find? Can't you see they are mistreating their daughters  
They believe they could walk on the waters  
They killed your son and might kill mine  
But you don't mind Why, Lord, why Tell me why  
In these lonely days I'd need your answer  
There's a reason why Why, Lord, why tell me why  
Your the only light forever lasting  
Tell me, father, why Why, Lord, why tell me why  
In these lonely days I'd need your answer  
There's a reason why Why, Lord, why tell me why  
Your the only light forever lasting  
Tell me, father, why Father, it's time  
Father, it's time
