Saturday Morning

Home Town Hero

Mirror on the wall, who will cause my fall?
My eyes are swollen wide
But hey, take me by surpriseColor my insides
With all the little things you hate
With all the little things you hateBetter kill me, tonight
Before you see me cry
Better kill me, tonight
Before you run another lifetimeBetter kill me, tonight
Before you see me cry
Better kill me, tonight
Before you lieI can fill you in, I can fill you up
But I still haven't seen you laugh
When all I want is you, all I hate is you
But I still haven't made you dance too, ohBetter kill me, tonight
Before you see me cry
Better kill me, tonight, oh
Better kill me, ohMotherfucker, oh yeah
