Responsibility

Michelle Willson

Into my life came responsibility
She's got some shakin', kickin'
Sailin', long blonde hair
And when I want to get off
You know she'll take me there
I'm talkin' 'boutShe fill me up with responsibility
She fill me up and let me down, can't you seeLife is full of re, responsibility
Life is full of re, response, responsibility
Life is full of re, re-re-responsibility
Life is full of responsibility
And I'm responsible for you and meGood lovin' messin' up my mind
A chick like this one is so hard to find
She takes care of everything I need
And when I want some stuff
You know that she takes heed
I'm talkin' 'boutShe fill me up with responsibility, yeah
She fill me up and let me down, can't you seeLife is full of re, responsibility
Life is full of re, response, responsibility
Life is full of re, re-re-responsibility
Life is full of responsibility
And I'm responsible as I can beYeah, responsible, responsible baby
Yeah, responsibleResponsible, responsible baby
I'm tryin' to be responsible, responsible baby
Yeah, yeah
Every day, baby, yes I am, baby, you know I can, babyLife is full of re, responsibility
Life is full of re, response, responsibility
Life is full of re, re-re-responsibility
Life is full of responsibility
And I'm responsible for you and meLife is full of re, responsibility
Life is full of re, response, responsibility
Life is full of re, re-re-responsibility
Life is full of responsibility
And I'm responsible for you and me
