

# Aviator

## Five Star Trailer Park

[Brandi]

Im flya then a motha sucka  
like an Aviator(2x)  
You know you cant touch me  
'Cause im somehwere in the clouds  
I'll be lookin' up or  
I'll be lookin down  
Flya then a motha sucka  
like an Aviator(2x)

[Price]Whatcha doin? Press pause

We might can share time  
I got so much keys  
That maybe we can share mine  
Catch me up in the air  
Im starein widda nice dime  
Im in the clouds

so now they call me Price-Airlines

Now you can try and tell me  
Who can hold these streets  
Or name a badda rapper  
Who can hold these beats  
I keep rasisin the bar  
while yo flow decrease

'Cause where i'm viewin from  
is passed the nose bleed seats

[Brani]Im flya then a motha sucka

like an Aviator(2x)  
You know you cant touch me  
'Cause im somehwere in the clouds  
I'll be lookin' up or  
I'll be lookin down  
Flya then a motha sucka  
like an Aviator(2x)

[Oktane]Now lemme lemme lemme tell

Hello to all y'all  
We flyin' ova here  
And you look so small  
Girl I'm so fly  
I'm never gon' fall

I'm busy or booked  
whenever these girls call  
Yeah, all the girls  
they tryna ride wit me  
I gott the G-4 baby  
You can glide wit me  
I'm up in the clouds  
So come and fly wit me  
We can go high  
Fill the sky wit me  
Hit me 'cause I'm fly  
[Brandi]Im flya then a motha sucka  
like an Aviator(2x)  
You know you cant touch me  
'Cause im somewhere in the clouds  
I'll be lookin' up or  
I'll be lookin down  
Flya then a motha sucka  
like an Aviator(2x)  
[Brandi]Baby I'm some kind of  
Touchin my swagga  
Gettin' high off the ground  
yeah, you can check my wings  
Phantom  
High above the lane  
and I dont plan on comin' back down  
[Oktane]yeah, I got my jayz (con-daze)  
So.. so fly (should prally have a cape for her)  
And if you aint on  
you'll prally say Okt  
Three.. Two.. One  
it's time for take off (take off)  
[Brandi]Im flya then a motha sucka  
like an Aviator(2x)  
You know you cant touch me  
'Cause im somewhere in the clouds  
I'll be lookin' up or  
I'll be lookin down  
Flya then a motha sucka  
like an Aviator(2x)
