Lover Man

Thad Jones And Mel Lewis

Aw
Yeah
I know you got somebody
Who thinks you're home tonight
You're lookin' for a good time
Girl, I'll do you right
Forget your other man
I wanna be your Lover Man
Now don't go feelin' guilty
How could this be wrong?
Girl, you may not know it
But you're right where you belong
Don't you understand?
I wanna be your Lover Man
I'll give you what you ain't been given
The love you've gone without way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strong
Girl, give me your hand
I wanna be your Lover Man
Oh, let's dance
I'll give you what you ain't been given
The love you've gone without for way too long
Let's not waste another minute
Before the night is gone let's do and say we didn't
'Cause this feeling's way too strong
Girl, give me your hand
I wanna be your Lover Man
Forget your other man
I wanna be your Lover Man
Oh yes, I do
You know you want that too
Ooh, hoo, ooh
