

Unforgettable

Paula Deanda

Oh Oh Ohh

I'm Unforgettable

yeah Ohh

Verse one:

You wanted it your way

And boy you know I said okay

Now you only have yourself to blame(whoa whoa)

Cause when we were together

You'd tell me what you didn't like

And now you went out and got "the type"

(ummm)

From the get go

Boy i told you

That she'll never

Give you what you need

But you didn't care

Why you calling me?

Chorse:

So you miss me

So you miss us

More than you ever done before

Why you want me?

You were in love

It was undeniable

So I..

Sit and laugh

While you grieve

Boy you had it your way

you knew this

Before you chose to go

I'm Unforgettable

Uh-huh

Uh-huh

I'm Unforgettable

Uh-huh

Uh-huh

verse 2:

Now your heart is aching

And you say you didn't know

But I got to say I told you so
(whoa whoa)
And now you keep saying
That everything has changed
You wanna give it all you got again

From the get go
Boy i told you
That she'll never
Give you what you need
But you didn't care
Why you calling me?
Chorse:
So you miss me
So you miss us
More than you ever done before
So,Why you want me?
You were in love
It was undeniable
So I..
Sit and laugh
While you grieve
Boy you had it your way
you knew this
Before you choose to go
I'm Unforgettable
Bridge:
I had a hard time to believe (umm)
That you choose her instead of me
Well boy just go out and see
But there's no better (no better)
No better than me
(I'm Unforgettable)
No one
No one
Better than me
I'm Unforgettable
Chorse:
So you miss me
So you miss us
More than you ever done before
Why you want me?
You were in love
It was undeniable

So I..
Sit and laugh
While you grieve
Boy you had it your way
you knew this
Before you choose to go
I'm Unforgettable
(repeat 2 times)
