Sounds Like Saturn

Madeleine

Iâ€™ve been trying to get my brain around this
Like roping clouds
Trying to save from drowning
In my veins a trace of space resounding
On and on and on

SOUNDS LIKE SATURN
SOUNDS LIKE SATURN
SOUNDS LIKE SATURN
SOUNDS LIKE SATURN

I can almost hear the stars exploding
Raining light, spilling all the knowing
Radiates through my skin and bones and
On and on and on

SOUNDS LIKE SATURN
SOUNDS LIKE SATURN
SOUNDS LIKE SATURN
SOUNDS LIKE SATURN
