

# Kiss Them For Me

[Anna Nalick](#)

It glittered and it gleamed  
For the arriving beauty queen  
A ring and a car  
Now you're the prettiest by far No party she'd not attend  
No invitation she wouldn't send  
Transfixed by the inner sound  
Of your promise to be found, oh Nothing or no-one will ever  
Make me let you down Kiss them for me, I may be delayed  
Kiss them for me, if I am delayed It's Divoon, oh it's Serene  
In the fountains pink champagne  
Someone carving their devotion  
In the heart shaped pool of fame, oh Nothing or no-one will ever  
Make me let you down Kiss them for me, I may be delayed  
Kiss them for me, I may find myself delayed On the road to New Orleans  
A spray of stars hit the screen  
As the 10th impact shimmered  
The forbidden candles beamed Kiss them for me, I may be delayed  
Kiss them for me, I may find myself delayed Kiss them for me, kiss them for me  
Kiss them for me, I may find myself delayed Kiss them for me  
Kiss them for me
