

# Serves You Right

## Jetty Road

Picking up beer at the grocery store  
You cut in front of the lady to get to the door  
You did, don't say you didn't, cause you did.  
Well as it turns out, yeah she'd won the big prize  
The one millionth customer standing in line  
Could've been you that wins, but you didn't. You stand there scratching your head  
Saying it just don't make sense.[Chorus]  
It serves you right  
Remember what my daddy always used to say  
Oh, it's gonna get you some day.  
It serves you right  
Cause karma's got a way of fixing everything  
And coming back again She was such a good girl, the best you've had  
But you kept sleeping around behind her back  
You did, yeah you did, oh you know you did.  
Well it's three weeks later and you come calling again  
She's living happily ever after with your best friend  
She is, yeah she is, oh you know she is. Mister you've made this bed  
And now you're gonna have to sleep in it.[Chorus]  
It serves you right  
Remember what my daddy always used to say  
Oh, it's gonna get you some day.  
It serves you right  
Cause karma's got a way of fixing everything  
And coming back again It serves you right, oh [Chorus]  
It serves you right  
Remember what my daddy always used to say  
Oh, it's gonna get you some day.  
It serves you right  
Cause karma's got a way of fixing everything  
And coming back again It serves you right  
Yeah, it serves you right  
It serves you right, yeah.
