

She's Crafty

Beastie Boys

Well this girl came up to me, she said she's new in town
But the crew been said they seen her around
I thought they were right, but I didn't wanna know
The girlie was Def and she wanted to go I think her name is Lucy but they all call her, "Loose"
I think I thought I seen her on eighth and forty-deuce
The next thing she said, "My place or yours?"
Let's kick some bass behind closed doors "We got into the cab, the cab driver said
He recognized my girlie from the back of her head
He said a little something about tip to base
So I made him stop the cab to get out of the place Shouldn't have looked back, man, I'll always regret it
Something's going on and I'll probably never get it
She was crying like a baby, stupid dumb
It's just too bad that girl's a bum She's crafty, she's gets around
She's crafty, she's always down
She's crafty, you know she's got a gripe
She's crafty and she's just my type
She's crafty I spent my last dollar to buy a Sabrett
When I seen this girl I could never forget
Now, I like nothing better than a pretty-girl smile
And I haven't seen a smile that pretty in a while The girl came up to me she said she loved the show
I asked her to come home and she couldn't say no
We got the crib and there's Adam and D
We didn't say a word, they just stared at me I said, "I don't know her I just met her tonight"
And Ad Rock started hiding everything in sight
D pulled me over said, "Hide your gold
The girl is crafty like ice is cold" The girl is crafty, she knows all the moves
I started playing records, she knew all the grooves
He thought she was a thief and D was right
But I just figured she'd spend the night When I woke up late in the afternoon
She had taken all the things from inside his room
I found myself naked in the middle of the floor
She had taken the bed and the chest of drawers The mirror, the TV, the new guitar cord
My remote control and my old skateboard
She robbed us blind, she took all we owned
And the boys blamed me for bringing her home She's crafty, she's gets around
She's crafty, she's always down
She's crafty, she's got a gripe
She's crafty and she's just my type
She's crafty

Ah, yeah She's crafty, she's gets around
She's crafty, she's always down
She's crafty, she's got a gripe
She's crafty and she's just my type She's crafty, she's gets around
She's crafty, she's always down
She's crafty, she's got a gripe
She's crafty and she's just my type
She's crafty
