

We Need Jesus

Petra

Verse 1:

When will the world
See that we need Jesus?
If we open our eyes
We will all realize
That He loves us
When will the world
See that we need Jesus?
When our hearts are as one
And believe that He's the Son of our God

Chorus:

The Lord is our God
And we shall never want
The Lord is our God
And we shall live forever
When we share the love of Jesus
See each other as He sees us

Then His love will see us through
His love will see us through

Verse 2:

When will the world
See that we need Jesus?
When sister and brother
Love one another as one
When will the world
See that we need Jesus?
Will we ever understand
Jesus is the Son of man?
We must live in the shadow of His love
