Gyal d tings that me love so much,
You couldn't be more precious
Look how we grown up,
It's not nice when I miss you in paradise,
So until then I wait for you to show up

Baby how you feel so nice,
And you full up mi life
[??]
Instruction and yuh doh think twice,
And yuh attitude nice gyal I love yuh

Push back yuh bumpa again,
Give me da wine dat yuh have
Cause I love it so, baby
Yuh body good, I'm addicted
And it's too hard for me to quit this

I'm a junkie for your lovin' baby
And I'm in so deep that nobody can save me
You are my, you are my love
You are my, you are my drug

You givin' me the pleasure when we couple up,
See at night me want to kiss you and cuddle up

Instruction and yuh doh think twice,
And yuh attitude nice gyal I love yuh

Push back yuh bumpa again,
Give me da wine dat yuh have
Cause I love it so, baby

Yuh body good, I'm addicted
And it's too hard for me to quit this

I'm a junkie for your lovin' baby
And I'm in so deep that nobody can save me
You are my, you are my love
You are my, you are my drug
