Sometimes

Dmx

{Sometimes I wonder, what life's about?
Sometimes I wonder, why the lights are out?
Sometimes I wonder, why I like to shout?
Sometimes I wonder, what the lies are about?
Sometimes I see things, I shouldn't have seen
Sometimes I wonder why I'm a hood and a fiend?
Sometimes I look at what I've become and cry
Sometimes I've, get on that bullshit and be ready to die
Sometimes a nigga that's yo' man might get it
Sometimes even though it's sweet, if you ain't with it?
Sometimes the pain is too much to bear
Sometimes it rains too much to care
Sometimes if you, don't watch your back it'll cost you
Sometimes you wonder, who would give a fuck if they lost you?
Yet, sometimes the sun shines around the clock
But sometimes it's dark, and Hell is hot}
