Pure War

Funker Vogt

People hate people for nothing at all
our kingdon of love is ready to fall
hate is the power which keeps them going on
it's their motivation - but their feelings are gonechorus:
Just war - pride and resignation
Pure war - hate and resolution
Just war - a deadly combination
Pure war - but this is their solutionHate and war - from all sides of the earth
Nuclear power - i call it evil's birth
