

# Underwater Love (Live in Brixton)

## Faith No More

Looking down into the water  
It's hard to make out your face  
If our love is drowning, then why  
Do I feel so out of place?  
Bubbling up to the surface  
Are you getting a breath of fresh air?  
Forever longing to make you mine  
But I can't escape your stare...  
Liquid seeps into your lungs  
But your eyes look so serene  
It's wonderful how the surface ripples  
But you're perfect, and I cannot breathe  
Forever longing to make you mine  
But I can't escape your stare...  
Hold me closer, keep me near  
My underwater love  
Hold me closer, keep me near  
I'll never get enough  
Touch me from below  
I'll never let you go  
But I can't escape
