Earth Song

Moonraisers

Sun, how can I thank you
You've warmed my heart and soul
You've made my body brown and smooth
Washed away the cold
Moon, you've made a dreamer out of me
I can see and I think I can feel it when you
Change your face
Please forgive me if I turn away
I?m just a sleeper
I know that you watch my dreams
You're my heavenly keeper
Heavenly keeper
Heavenly keeper
I?m just a sleeper
Heavenly keeper
Stars, what a mystical woman that you made me
I've seen of times before the human race
As long as I'm breathing, as long as I can move
I'll be strong ?cause I know
You've always been in that place
Please forgive me if I turn away
I'm just a sleeper
I know that you watch my dreams
You're my heavenly keeper
Heavenly keeper
Heavenly keeper
Just a sleeper
Heavenly keeper
Never
Never
Never
...
