

# I Want U 2 B With Me

## D'Sound

when I get off the stage  
I've gIven what I've had  
to give to anyone  
I don't feel good nor bad  
I go back to my room  
and don't relate to anyone when I am on a plane  
to conquer all my dreams  
and everything 's ok  
and I'm a lucky girl  
I see you in a cloud  
I don't know what I'm doing here I want you to be with me when I am in a place  
where everythIng is strange  
and I'm just passing through  
and so goes day by day  
I can't keep track of names  
and I just want to close my eyes and when I hit the notes  
the way I'm supposed to do  
the band and I are hIgh  
and nothing can go wrong  
I always think of you  
I wish that you could see me now I want you to be with me 'cause all I feel and see  
I want you to see it too  
'cause what I know and do  
I want to share it wIth you
