

# Representin (Remix) [feat. R. Kelly & Fabolous]

## Ludacris

Turn the lights off I be representin', representin'  
I be representin', representin' Luda, yeah you representin' for bad bitches all around the world  
The way you put it down in between the sheets is like no other girl  
You done take it a whole another level of freakiness When you blow my mind  
To the point where all these other women Kinda feelin' like you stole their shine  
So I better come with it,  
Ha, and I better come split it  
And I admit that I'm feeling a little pressure, when you're telling me I better come get it  
Ha but I'm the man for the job  
Can't nobody do it quite like I do  
And the same go for you, we a match made in heaven, Ima stand right by you  
Why you saying? Just wanna keep all your attention baby  
Yeah, alright, alright, alright, hey  
It turns me on to know I turn you on, yeah OK, OK, OK  
Hey can I grab the wheel and drive you crazy  
Yeah, alright, alright, alright, hey  
Sit in the front row and watch me perform  
Hm you do that and you gonna learn today, hey  
I'll be representin' (Get on that thang), representing (Get on that thang),  
(Get on that thang and represent)  
I be representin', (Get on that thang) representin', (Get on that thang, get on that thang)  
Watch how I put it down Put it down like ay,  
Only know you can do it  
Then I'ma hit every single one of your spots and really you don't need to walk me through it  
But you can talk me through it  
When I'm askin' if this' minds  
Ima be a motivation just you just tryna see if you can break my fucking spine,  
I'm so attracted, to the way you carry yourself and keep your composure  
You a lady in the street but behind closed doors you're a fucking soldier  
A brother will never know  
That's how you like it ha,  
Bet that booty pack a mean punch and Ima spike it, huh Why you saying  
Just wanna keep all your attention baby  
Yeah, alright, alright, alright, hey  
It turns me on to know I turn you on, yeah  
OK, OK, OK  
Hey can I grab the wheel and drive you crazy  
Yeah, alright, alright, alright,  
Hey sit in the front row and watch me perform

Hm you do that and you gonna learn today,  
I'll be representin'(Get on that thang), representin' (Get on that thang),  
(Get on that thang and represent)  
I'll be representin', (Get on that thang) representin' , (Get on that thang, get on that thang)  
Watch how I put it down You're incredible, edible, unforgettable  
Body is so angelical, a rebel with a cause  
Speaking in hypotheticals  
Could I marry you if I wanted to I'll take you how you coming  
Just learn to live with your flaws  
Even though it's not that many  
You give me that good and plenty And I walk around all day grinin'  
My mind and body are gone  
That JJ so so sublime  
Throw it in the air and turn it to sunshine, you make me wanna call the crib  
And say I'm never coming home, Luda! Why you sayin'  
Just wanna keep all your attention baby  
Yeah, alright, alright, alright, hey  
It turns me on to know I turn you on, yeah  
OK, OK, OK hey  
Can I grab the wheel and drive you crazy,  
Ey yeah, alright, alright, alright, hey  
Sit in the front row and watch me perform  
Hmm you do that and you gonna learn today, hey I'll be representin'(Get on that thang), representing (Get on  
that thang),  
(Get on that thang and represent)  
I'll be representing, (Get on that thang) representing , (Get on that thang, get on that thang)  
Watch how I put it down  
I be representin', I be representin' (I'm representin')  
I be representin' I be representin' (I'm representin')  
Watch how I put it down
