

Straight Up

Halifax

Lost in a dream
Don't know which way to go
And if you're all that you seem
Baby I'm moving way too slow 'Cause I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
How about some information, please Straight up now tell me
Do you really want to love me forever, oh oh oh
Or am I caught in a hit and run Straight up now tell me
Is it gonna be you and me together, oh oh oh
Or are we just having fun Time's standing still
I'm waiting for some small clue
And I, I keep getting chills
When I think your love, when I think your love is true 'Cause I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
How about some information, please Straight up now tell me
Do you really want to love me forever, oh oh oh
Or am I caught in a hit and run Straight up now tell me
Is it gonna be you and me together, oh oh oh
Or are you just having fun You are so hard to read
You play hide and seek
With your true intentions
And if you're just playing games
Then I'll just have to say Do, do you love me?
Do, do you love me?
Do, do you love me? Do, do you love me?
Do, do you love me?
Do, do you love me? 'Cause I've been a fool before
Wouldn't like to get my love caught
In the slammin' door
Are you more than hot for me
Or am I a page in your history book
I don't mean to make demands
But the word and the deed go hand in hand
How about some information, please Straight up now tell me
Straight up now tell me
Straight up now tell me Straight up now tell me
Straight up now tell me

Straight up now tell meStraight up now tell me
Do you really want to love me forever
Or am I caught in a hit and runStraight up now tell me
Do you really want to love me forever, oh oh oh
Or am I caught in a hit and runStraight up now tell me
Is it gonna be you and me together, oh oh oh
Or are we just having fun
