

Inner Self

Sepultura

Walking these dirty streets
With hate in my mind
Feeling the scorn of the world
I won't follow rules Blame and lies
Contradictions arise
Blame and lies
Contradictions arise Nonconformity in my inner self
Only I guide my inner self I won't change my way
It has to be this way
I live my life for myself
Forget your filthy ways Blame and lies
Contradictions arise
Blame and lies
Contradictions arise Nobody will change my way
Life betrays, but I keep on going
There's no light, but there's hope
Crushing oppression, I win Betraying and playing dirty
You're thinking you'll win
But someday you'll fall
And I'll be waiting Laughs of an insane man
You'll hear
Personality is my weapon
Against your envy Walking these dirt streets
With hate in my mind
Feeling scorn of the world
I won't follow your rules Nonconformity in my inner self
Only I guide my inner self
