Runaway (Austin Leeds Mix)

iio

Can we go away
And never turn around again
On an escapade
And always keep the vision
Can we open out
And spread ourselves around the sand
Captivate the sun
Keep the light 'til the world endsRunaway
RunawayTake away the wall
And break away my defense
Candle by our side
And never let the rain beginWe're a part of a plan
And it's already written
There is no other way
It's inside our every senseEarth is our islandKarma, am I yours
Is that your intuition
If that is your word
I'm the definitionIn our destinies
This is what was missing
Echo in my mind
Even through a distance
