Small D

Gab Coelho

I need a drink
Not a dick
I need some claps
For this motherfucking beats

I'm wearing ice
All over it
You can't tell me
How I supposed to live

I need a drink
Not a dick
I need some claps
For this motherfucking beats

I'm wearing ice
All over it
A stupid bitch don't need
Your small dick

I'm here to break your heart
And I'm here to break your bones
You can catch me in the club
'Cuz I'll be up in the front

Yeah I'm rocking to the bass
We are running to the space
You know this is what I said
Get out of my fucking way

'Cuz bitch you don't know
What you're talking about
I'm up in the club
So catch me outside
Don't fuck with my dudes

Don't fuck deny
Drip on the beat
I'm killing you now

You've wasted your time

So blah, blah, blah
And there is the shit
You wanna hang out
I'm busy with my boys
Shut the fuck up
Shut the fuck up

I'm drunk
And I'm over it
Kinda satisfied
I don't need your dick

Tonight will be fine
Tonight will be lit
Gonna be in my bed
Masturbating so legit

I'm drunk
And I'm over it
Kinda satisfied
I don't need your dick

Tonight will be fine
Tonight will be lit
Gonna be in my bed
Masturbating so legit

I'm drunk
And I'm over it
Kinda satisfied
I don't need your dick

Tonight will be fine
Tonight will be lit
Gonna be in my bed
Masturbating

I need a drink
Not a dick
I need some claps
For this motherfucking beats

I'm wearing ice
All over it

You can't tell me
How I supposed to live

I need a drink
Not a dick
I need some claps
For this motherfucking beats

I'm wearing ice
All over it
A stupid bitch don't need
Your small dick
