The Illusion

Greyfade

The Illusion

On the canvas of dreams
A mirage came to be
Iâ€™ve painted what might seem
A shadow that is me

A heaven that is not real
A life thatâ€™s not for me
A soul shattered that can not heal
Crushed by reality

Chorus
Wake me up from this state
Help me find my own fate
Help me see whatâ€™s beyond
Iâ€™m afraid, Iâ€™m not that strong

In my world, the clock stands still
For your world, Iâ€™ve lost the will

Iâ€™m reaching out, but I canâ€™t find
I now know that, Iâ€™m dead inside

Chorus

Chorus 2
Wake me up from this state
Release me from the eternal wait
Help me see whatâ€™s beyond
Iâ€™m afraid, Iâ€™m not that strong

Iâ€™m haunted by my illusion
Incarcerated and left to die
Iâ€™m drowning in self confusion
All alone as life passes by
