Forever

Martin Nievera

We've come so far
To leave it all behind
I wonder why

Why did you go away
You left me all alone
No words can say
My love please stay

Chorus:
You and I
We have moments left to share
You and I
We can make it anywhere
You and I
We belong in each other's arms
There can be no other love
Now I know we can have it all...
Forever

Each nigth I pray
That we can be together
Once again

Forever more we'll stay
In love this way
No matter what they say until the end

repeat chorus:

Now I know we can have it all...
Forever
