

# Forever

## Martin Nievera

We've come so far  
To leave it all behind  
I wonder why

Why did you go away  
You left me all alone  
No words can say  
My love please stay

Chorus:  
You and I  
We have moments left to share  
You and I  
We can make it anywhere  
You and I  
We belong in each other's arms  
There can be no other love  
Now I know we can have it all...  
Forever

Each night I pray  
That we can be together  
Once again

Forever more we'll stay  
In love this way  
No matter what they say until the end

repeat chorus:

Now I know we can have it all...  
Forever
