## **How Many Words**

## **Blake Lewis**

I'm through, I'm through
I'm through, I'm through with you
I'm through, I'm through

I'm through, I'm through with youRight back where we started

Falling apart at the seams

You tag your name on my heart and

I sat there and let it bleedSweetheart so

Now this is goodbyeI'm letting you go, you're letting me down

Been caught in the rain and I almost drowned

I'm letting you go, our love's black and blue

How many words does it take to say I'm through? I'm through, I'm through

I'm through, I'm through with youYou said you knew what romance is

Traited, I fell for your lies

You're out of second chances

Sadly, we're fading out tonightSweetheart so

Now this is goodbyeI'm letting you go, you're letting me down

Been caught in the rain and I almost drowned

I'm letting you go, our love's black and blue

How many words does it take to say I'm through? I have to, don't want to

I've got to set you free

No more words, it's over

Now I can finally breatheI'm letting you go, you're letting me down

Been caught in the rain and I almost drowned

I'm letting you go, our love's black and blue

How many words does it take to say I'm through?I'm letting you go, you're letting me down

Been caught in the rain and I almost drowned

I'm letting you go, our love's black and blue

How many words does it take to say I'm through?I'm letting you go, you're letting me down

Been caught in the rain and I almost drowned

I'm letting you go, our love's black and blue

How many words does it take to say I'm through? I'm through, I'm through

I'm through, I'm through with you I'm through, I'm through I'm through, I'm through with you I'm through, I'm through

I'm through
