

# Measure of a Man

[Kevin Sharp](#)

I may never buy me a big house  
A Cadillac, cruising with the top down  
That ain't the way I am  
I judge a man by the gold on the inside  
I'm not fooled by the glitter on the outside  
That ain't the measure of a man It ain't how far you go, it ain't how much you make  
Son, it's what you give, not what you take  
It's being strong and true to those counting on you  
It's lendin' a hand, makin' a stand, that's the measure of a man I give an honest days work for an honest day's  
pay  
I'll stand behind every word I say  
I'll seal a deal with a shake of a hand  
If I'm a few rungs short of the top of the ladder  
When I meet my maker, what will it matter  
That ain't the measure of a man It ain't how far you go, it ain't how much you make  
Son, it's what you give, not what you take  
It's being strong and true to those counting on you  
It's lendin' a hand, makin' a stand, that's the measure of a man  
It's lendin' a hand, makin' a stand, that's the measure of a man
